

A.
Everybody screamed when I kissed the teacher
And they must have thought they dreamed when I kissed the teacher
All my friends at school
They had never seen the teacher blush, he looked like a fool
Nearly petrified Ôcos he was taken by surprise

B.
When I kissed the teacher
Couldn't quite believe his eyes, when I kissed the teacher
My whole class went wild
As I held my breath, the world stood still, but then he just smiled
I was in the seventh heaven when I kissed the teacher

C.
One of these days
Gonna tell him I dream of him every night
One of these days
Gonna show him I care, gonna teach him a lesson alright

D.
E.
We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teachers leave them kids alone
Hey teacher leave them kids alone
All in all it's just another brick in the wall
All in all you're just another brick in the wall

F.
G.
School's out for summer
School's out forever
School's been blown to pieces

H.
No more pencils
No more books
No more teacher's dirty looks
I.
Out for summer
Out till fall
We might not go back at all
